Transportation

Based on transportation claimed by manpower, should they be required to work before 9am or after 11pm.

Note:

- Rental charges include basic services such as air-conditioning, dressing rooms, lighting & sound equipment as listed in the technical specifications.
- Ushers (up to 2) will be provided as part of the performance package for up to a maximum of 4 hours.
- Hirers are obligated to use LASALLE's technical crew during non-performance & performance. The theatre requires a **minimum** number of 3 technicians and LASALLE reserves the right to require additional technicians, based on the scale & requirements of the event.
- While basic services are included, do note that some events require additional security, housekeeping, technical crew. In such instances, there will be additional charges based on the required needs of each hire.
- The hirer is required to purchase a one-time public liability insurance for the event in joint names with LASALLE College of the Arts.
- All charges are subject to 8% GST. Charges are subject to changes without prior notice.
