About LASALLE College of the Arts

5

Asia's leading contemporary arts and design institution

LASALLE College of the Arts is a globally ranked institution for Art & Design and Performing Arts education (QS World University Rankings by Subject 2026)—anchored in Singapore, rooted in Asia and connected to the world.

The College offers 36 Diploma, BA (Hons) and MA programmes across the full spectrum of creative disciplines. A nurturing, interdisciplinary learning environment inspires the next generation of forward-looking and globally engaged creative leaders, who are mentored by a faculty of award-winning artists, designers, educators and researchers. LASALLE's tradition of practice-led research sets the College apart as an international centre of excellence.

Founded in 1984 by the late Brother Joseph McNally, LASALLE writes, develops and delivers all its own academic programmes, and continues to do so as a founding member of the University of the Arts Singapore. LASALLE is a non-profit private educational institution supported by Singapore's Ministry of Education.

Message from the President

Graduation is one of life's great milestones. Yet in so many ways, it is not an end but also a beginning. It is both at once.

Today is a culmination and a threshold. You stand at the completion of a transformative journey, ready to step into the next one. Some of you will continue your studies, others will enter the world of work. Some will become entrepreneurs, cultural leaders or makers and creators of new forms of art, experience and knowledge, carving out roles and careers that do not yet exist.

What lies ahead is a horizon full of possibility. I am confident that during your time at LASALLE, you have learned that uncertainty is not to be feared. You graduate with the courage to lean into an unknown future that is yours to shape and author.

As you surge ahead, my charge to you is to approach your practice in the spirit of service wherever you may go. The arts are not on the margins of life. They are central, if not essential, to being human. Your creativity has the power to give soul to society and help uplift lives.

For 40 years, LASALLE has graduated generations of artists, designers and creative practitioners, many who have shaped Singapore's cultural life and made magnificent contributions to the world.

Today, you join that remarkable lineage. You inherit not only its achievements but also its profound purpose: to imagine boldly, question deeply and lead with confidence as the world transforms before us.

So step forward boldly, LASALLians, and know that we have your back—and a home at LASALLE like none other.

Congratulations, Class of 2026! All of us wish you the very best.

Heema Izzati Zainudin

Diploma in Music with Distinction
School of Contemporary Music
Faculty of Performing Arts

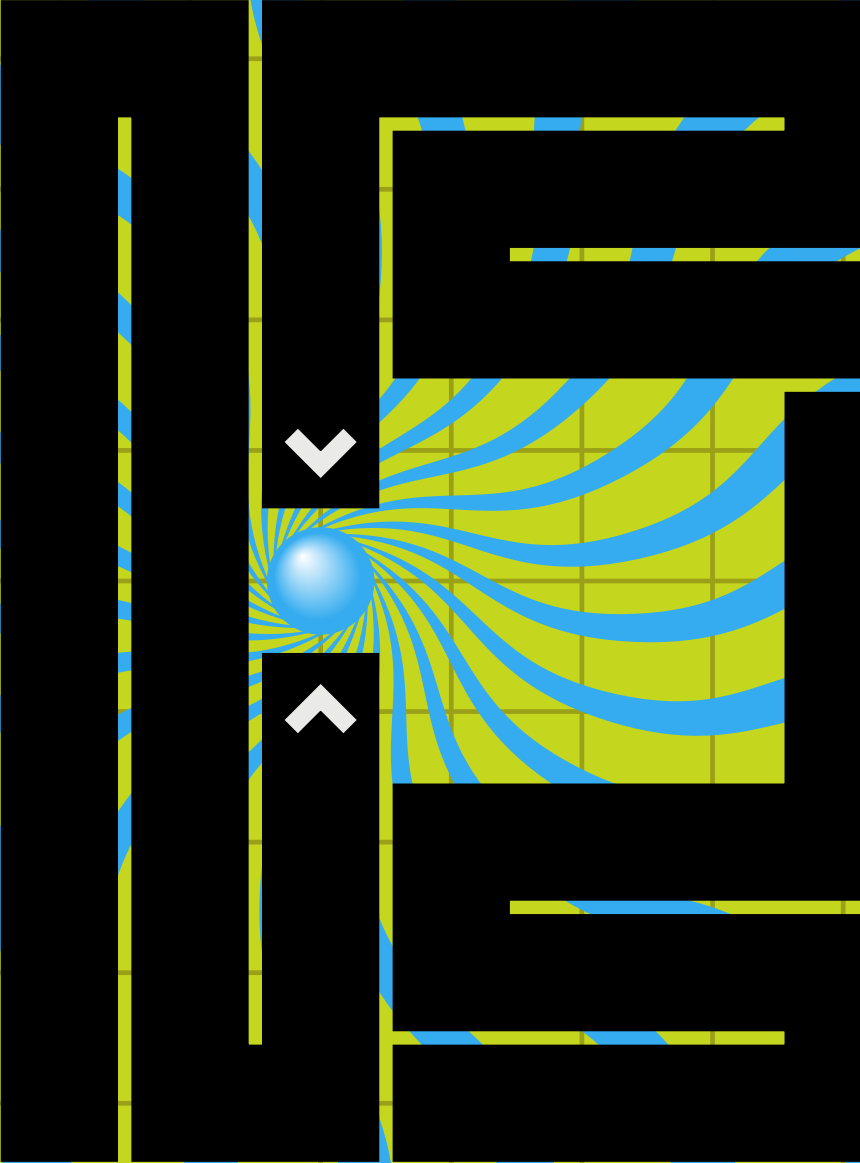

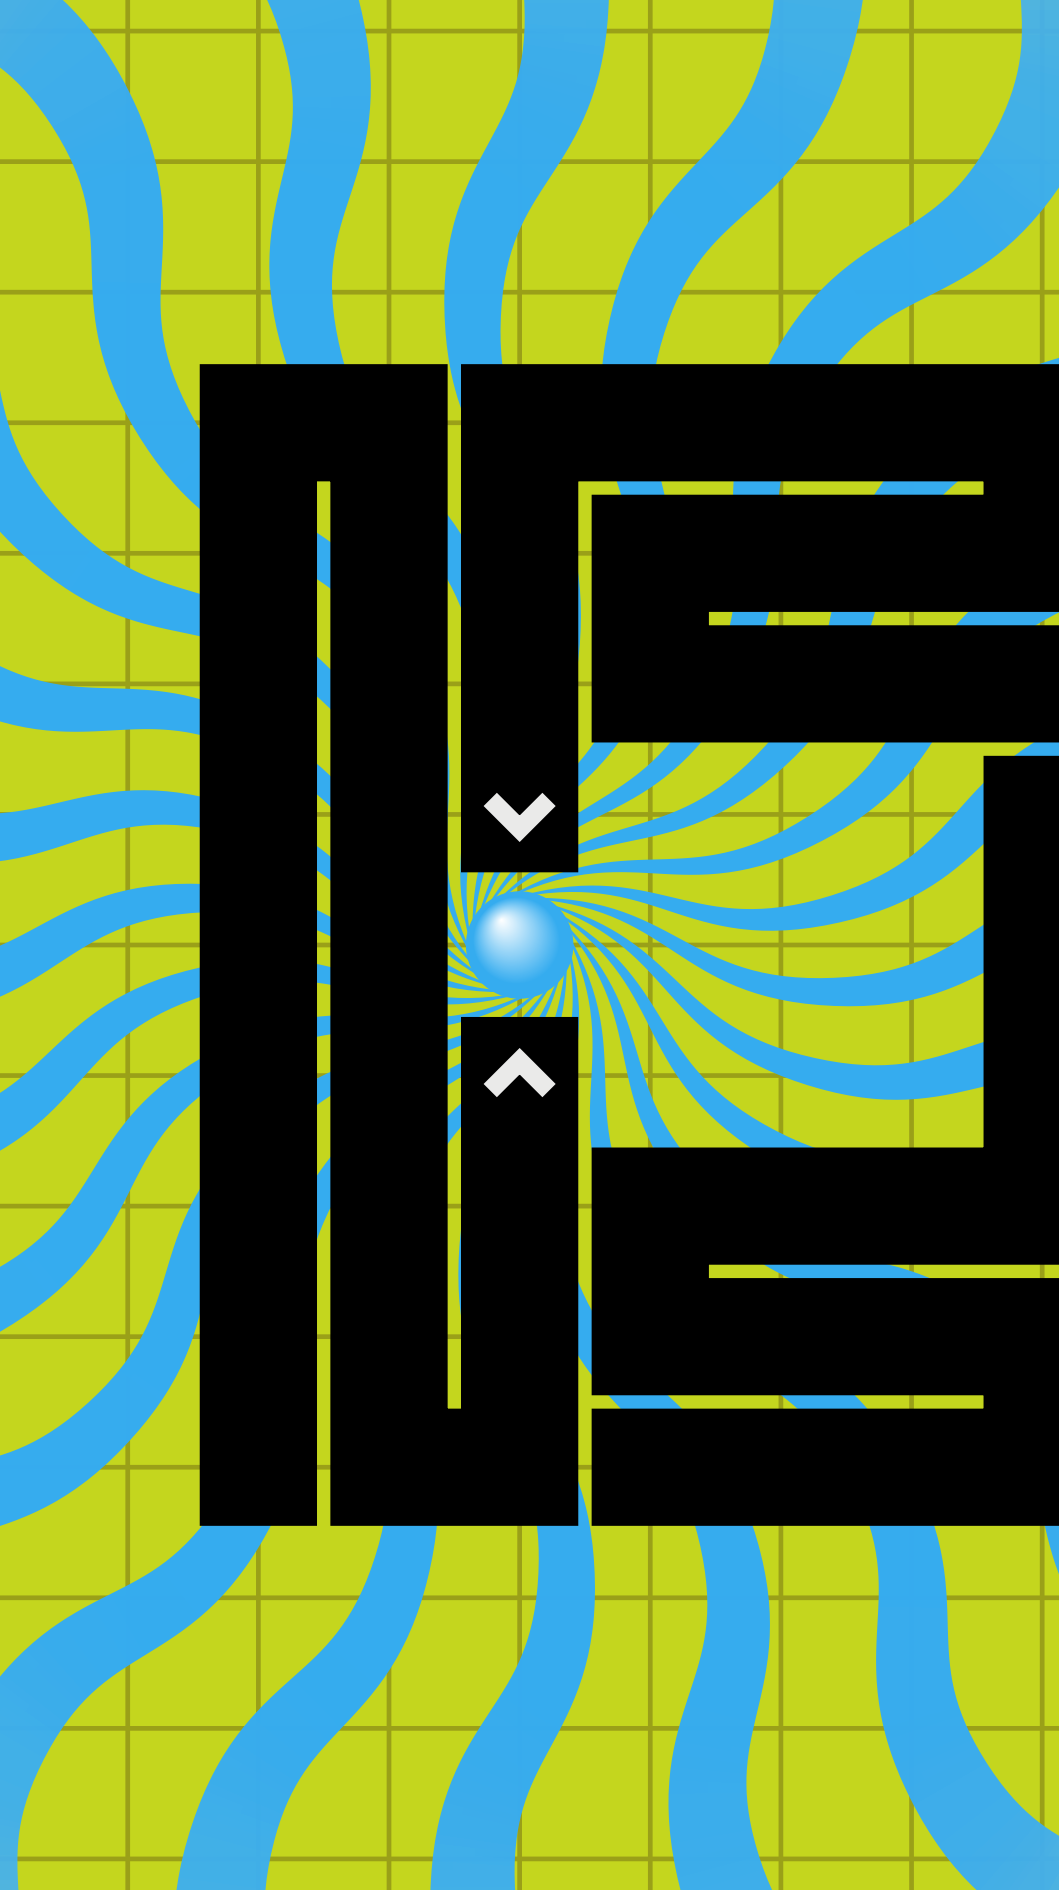

Heema Izzati is a multi-instrumentalist and singer-songwriter whose interdisciplinary foundation spans classical performance and contemporary songwriting.

Heema embodies an artistic voice that is honest, emotionally resonant and deeply personal. Incorporating her love of alternative rock, pop and soul music, she pulls from her experiences to write songs that are unapologetic, colourful and bold. Heema released her first single *Locked Out* in 2023 and her debut EP *Sleep When You're Tired* in 2025. She has performed extensively with industry icons as well as at the National Day Parade.

Recognising that formal music education may not be accessible to everyone, Heema runs a free music programme for children from disadvantaged backgrounds, empowering young learners through classical music. In 2024, she gave a TEDx Talk on “Growing Up With Music, Giving It Back”, reflecting on how music became both her passion and her purpose.

After graduation, Heema will be pursuing a degree in music at LASALLE.
