ABOUT UNIVERSITY OF THE ARTS SINGAPORE

Bringing a new chapter to the arts in Singapore, nurturing the next generation of creatives

The University of the Arts Singapore (UAS) is Singapore's first arts university nurturing a new generation of forward-looking artists, designers, educators, researchers, arts leaders and changemakers.

UAS is founded on an alliance of Singapore's leading arts institutions, LASALLE College of the Arts (LASALLE) and Nanyang Academy of Fine Arts (NAFA).

Located in the heart of the art and civic district, LASALLE and NAFA are distinguished by unique heritages, strong artistic traditions, and innovative teaching approaches. Our faculty and alumni have earned national recognition, including Cultural Medallions and Young Artist Awards, championing Singaporean creativity on the global stage.

UAS will further generate new artistic thinking and discourse by creatively combining teaching, practice, and research. Collaborating with arts communities and industry partners locally and internationally, our graduates will energise the cultural landscape and the creative economy. We will strengthen Singapore as a creative hub in Asia.

In August 2024, UAS welcomed its first cohort of undergraduate and postgraduate students from LASALLE and NAFA, with degrees conferred by UAS.

ABOUT LASALLE COLLEGE OF THE ARTS

Asia's leading contemporary arts and design institution

LASALLE College of the Arts is a globally ranked institution for Art & Design and Performing Arts education (QS World University Rankings by Subject 2026)—anchored in Singapore, rooted in Asia and connected to the world.

The College offers 36 Diploma, BA (Hons) and MA programmes across the full spectrum of creative disciplines. A nurturing, interdisciplinary learning environment inspires the next generation of forward-looking and globally engaged creative leaders, who are mentored by a faculty of award-winning artists, designers, educators and researchers. LASALLE's tradition of practice-led research sets the College apart as an international centre of excellence.

Founded in 1984 by the late Brother Joseph McNally, LASALLE writes, develops and delivers all its own academic programmes, and continues to do so as a founding member of the University of the Arts Singapore. LASALLE is a non-profit private educational institution supported by Singapore's Ministry of Education.

Message from the Vice-Chancellor

On behalf of the University leadership, congratulations to the Class of 2026!

For those receiving degrees conferred by the University of the Arts Singapore (UAS), you are part of its pioneer graduating cohort—a historic milestone for UAS and Singapore’s arts and higher education landscape.

Universitas, the Latin root of the word “university”, refers to a guild or community of scholars, teachers and learners. This is especially meaningful for UAS, which brings together students from LASALLE College of the Arts (LASALLE) and the Nanyang Academy of Fine Arts (NAFA), two arts institutions with distinctive legacies. Through the UAS Common Curriculum, co-curricular activities and university-wide events, many of you have formed networks and friendships across institutions and disciplines. These relationships will continue long after graduation as you become colleagues and collaborators at the workplace and society. I hope you will stay connected through the UAS alumni network.

As graduates of LASALLE and NAFA, you inherit rich traditions—but heritage is the living presence of the past. Each generation must decide what to conserve and recreate, rejuvenating tradition and enabling innovation. At a time when machine intelligence can generate new forms of expression at unprecedented speed, your contribution lies not in novelty alone, but in the human judgement, care and sense of responsibility you bring to the world.

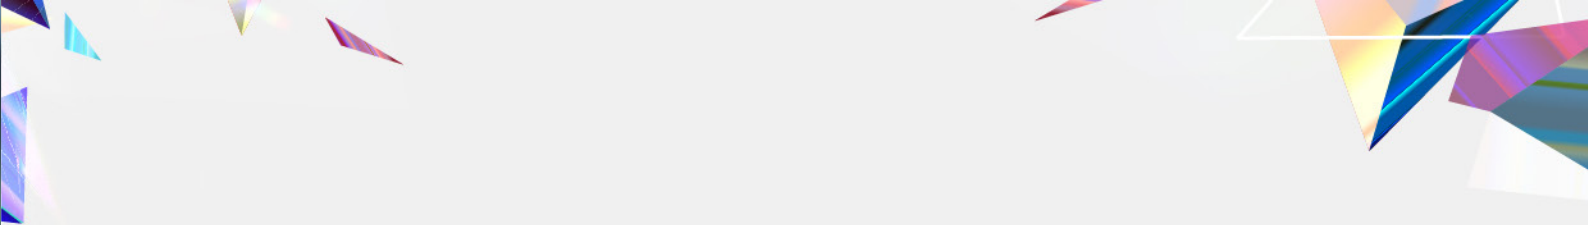

Your first job will not be your last, and the path ahead will be filled with opportunities and but also challenges. At the university, you have experienced and learnt from failure, in each instance, bringing you closer to finding your creative voice. Keep up the spirit, attentive to possibilities you cannot yet foresee.

To all our graduands, I know that as you celebrate, you also remember with gratitude your loved ones, peers and mentors who have shared this journey with you.

Go forth and make your mark! Not only through what you achieve, but through what you contribute and make possible for others.

Professor Kwok Kian Woon
Vice-Chancellor
University of the Arts Singapore

Message from the President, LASALLE College of the Arts

Graduation is one of life's great milestones. Yet in so many ways, it is not an end but also a beginning. It is both at once.

Today is a culmination and a threshold. You stand at the completion of a transformative journey, ready to step into the next one. Some of you will continue your studies, others will enter the world of work. Some will become entrepreneurs, cultural leaders or makers and creators of new forms of art, experience and knowledge, carving out roles and careers that do not yet exist.

What lies ahead is a horizon full of possibility. I am confident that during your time at LASALLE, you have learned that uncertainty is not to be feared. You graduate with the courage to lean into an unknown future that is yours to shape and author.

As you surge ahead, my charge to you is to approach your practice in the spirit of service wherever you may go. The arts are not on the margins of life. They are central, if not essential, to being human. Your creativity has the power to give soul to society and help uplift lives.

For 40 years, LASALLE has graduated generations of artists, designers and creative practitioners, many who have shaped Singapore's cultural life and made magnificent contributions to the world.

Today, you join that remarkable lineage. You inherit not only its achievements but also its profound purpose: to imagine boldly, question deeply and lead with confidence as the world transforms before us.

So step forward boldly, LASALLians, and know that we have your back—and a home at LASALLE like none other.

Congratulations, Class of 2026! All of us wish you the very best.

Professor Venka Purushothaman

President, LASALLE College of the Arts

Deputy Vice-Chancellor, University of the Arts Singapore

McNally Award for Excellence in the Arts

Named after LASALLE College of the Arts' founder, Brother Joseph McNally, the McNally Award for Excellence in the Arts is awarded to the College's most outstanding BA (Hons) student of each year's graduating cohort. It recognises an artist's role in society, their academic excellence and significant contribution to their professional and social communities.

The recipient of this award demonstrates significant promise as an emerging practitioner in their respective creative field. LASALLE would like to express its appreciation to Singapore Airlines for being the official sponsor for the McNally Award for Excellence in the Arts.

Hoo Min Cher

BA (Hons) Fashion Media and Industries,
First Class Honours
School of Fashion
Faculty of Design

Hoo Min Cher is a multidisciplinary fashion researcher-practitioner whose work explores the intersections of politics, culture and the body. Through photography, editorial and curation, he investigates how fashion shapes identity, power and the stories societies tell about themselves.

His final-year dissertation and graduation project contributed new perspectives to fashion scholarship by examining law, morality, citizenship and identity through fashion. The works have since been published, exhibited and recognised internationally on platforms like *PhMuseum* and *Blurring The Lines*.

Alongside his research, Min Cher served as editorial director of *Neither/Nor: Fashioning the In-Between*—developed in collaboration with the Fashion Institute of Technology—a publication that showcased the rich heritage and craft of Southeast Asia.

Min Cher's practice is guided by an enduring curiosity about fashion as a political and economic force, underpinned by the belief that critical inquiry can contribute to a more thoughtful and equitable society. He hopes to continue this line of inquiry through postgraduate studies in political science with the goal of shaping policy-making for the creative industries.

Benefits of giving

For a minimum cash donation of \$100, you will receive the following as part of our 'Give to LASALLE' campaign:

- A limited edition LASALLE ring, specially designed by jewellery designer and alumna Koh Weilin (Class of 2008).
- A tax deduction of 2.5 times the donation amount.

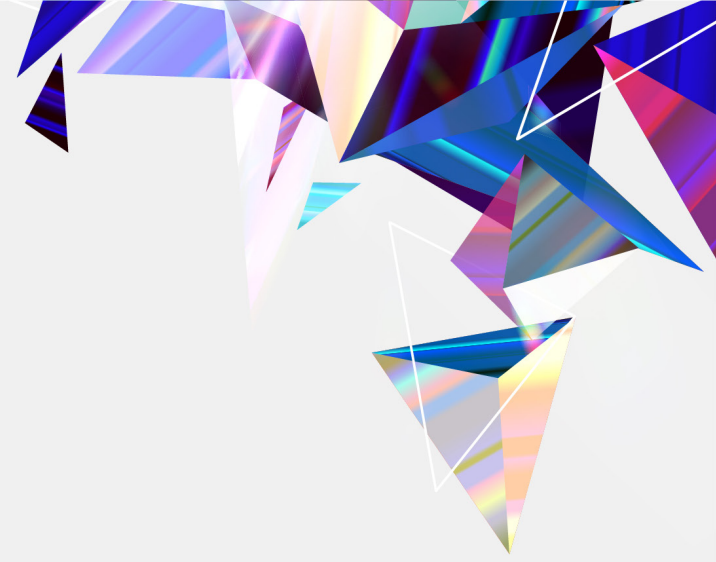

LASALLE's Continuing Education Programme

LASALLE's Continuing Education Programme offers industry-relevant short courses, workshops, and professional development programmes across the creative arts, design, media and cultural sectors—designed for lifelong learners and industry practitioners looking to upskill, reskill or explore new interests.

As a LASALLE graduate, you are encouraged to give back and share your knowledge to the creative community by becoming a CEP trainer. Teaching a short course is a meaningful way to share your industry experience, inspire the next generation of creatives and strengthen your professional profile—all while staying connected to LASALLE.

We welcome you to consider teaching as part of your professional journey. Find out more about our courses [here](#) or if you wish to become a trainer, reach out to us at cep@lasalle.edu.sg.

Graduate Employment Survey

We encourage you to participate in the Graduate Employment Survey, which forms part of the statistical requirements by Singapore's Ministry of Education and Ministry of Manpower.

Your responses help us understand the employment outcomes of LASALLE graduates and obtain feedback on your educational experience—all of which informs how we continue to develop our programmes and services for future creative leaders.

The survey will be launched in November 2026, and an online link will be sent to your personal email as provided to LASALLE. Participate and stand a chance to win the latest iPhone and e-shopping vouchers.
